REGISTRATION INFORMATION

<u>Registration of an Individual Cat</u>: Each Application for registration must be accompanied by:

1. A minimum of a 3-generation Certified pedigree from another association on the cat for which application is being made and a photocopy of a registration certificate from that association showing proof that the cat is owned by the person making the application and asking to be named the owner of the cat.

OR

2. A minimum of a 3-generation pedigree, stating the color and pattern and the registering association's assigned registration number, for each ancestor listed. This pedigree **must be signed by the breeder of the cat** for which application is being made and must include a statement that this pedigree is true and correct to the best of the breeder's knowledge; the breeder must checkmark NOT FOR BREEDING or NOT FOR SHOWING if those statements apply. In addition, a photocopy of a registration certificate from another association or a bill of sale showing proof that the cat is owned by the person making the application and asking to be named the owner of the cat.

NOTE: Breeder's Signature is required to individually register a cat. Breeder is defined as the owner of the dam at the time of mating.

3. The owner's name, address, and city are not allowed in the name of the cat unless it is a TICA registered cattery. The names of cats may not be changed in any manner after they have been registered, except for the correction of clerical errors in the Executive Office; the addition of a cattery name as provided in ARTICLE EIGHT of the Registration Rules; to re-register as Household Pets, TICA registered championship class cats pursuant to the Show Rules 23.7; or pursuant to the Registration Rules, ARTICLE NINE, Section 39.4.3. Names of cats and catteries may not be duplicated. Punctuation marks of any kind (\pounds , ', #, etc.) are not allowed in the name of the cat. Cats may not be named after an ancestor without written permission of the owner of the ancestor; a letter attesting to such permission is to be filed with the Executive Office. See Registration Rules, ARTICLE NINE. A cat's name, including cattery names and the word "of" (before a suffix) may not exceed 35 letters/characters/spaces combined. When the name of the cat is longer than 35 letters/characters/spaces, the suffix will be automatically dropped. Type or print the name of the owner (may not exceed 35 letters/characters/spaces) of the cat and complete address, city, state/country, and zip/postal code.

4. Where extenuating circumstances (i.e., death, repossession, etc.) are involved, application with applicable documentation will be considered on an individual basis by TICA's Executive Office.

The sire and/or dam may be individually registered at the same time a litter is registered with TICA.
